Basics of TMJ Course Registration

If you've wanted to feel more confident in treating TMD but have never felt comfortable when speaking with patients about TMJ, much less treating the disorder, the Basics of TMJ course at Raman Center for TMJ & Sleep is for you. Dr. Raman is offering an introductory course for providers who want to better understand the disorders; to unlearn the myths that we were taught in dental school, and to feel confident in starting treatment of TMD patients after some true hands-on workshop under the guidance of a master. Register today for 14 hours of the best CE you'll have experienced in a long time.
